Message from the Director, Kacie Armstrong

We want to extend a heartfelt thank you to all of our participants in the National Library Card Sign-Up Month campaign. We had well over 900 Euclid children participate in this year's countywide initiative. As we officially conclude this campaign, we want to remind all of our library patrons to use your library card to check out books, access our online educational resources and download eBooks, music, or movies through Hoopla or Overdrive. As you check out our library resources, we want to remind you that the Friends of the Library will host their annual fall book sale October 27, 28 and 29. This annual fundraiser raises dollars that support library programs and services. Please consider becoming a member of the Friends.
