Register an Individual or Family

Register a Class or Group

## Who would you like to register?

I am registering myself.

I am an adult registering a child.

**When you are done registering yourself, you can register children or other adults in your home.  
Beanstack will ask you if you want to add more people.**

### Individual

You will be enrolled in the program for your age group.

**Select "I am registering myself"**

- Only use this option if you have your own email, and do not want to be part of a family account.
- You will log in and track independently of anyone else in your family.
- An individual account cannot be added to an existing family account without losing progress and prizes earned.
- You will be automatically enrolled in the right program based on your age or grade in the fall.

### Family

Pick this to sign up each family member and yourself!

**Select "Adult registering a child" or "Adult registering another adult"**

- Everyone in your family can access the account with the same username and password.
- Each member can track progress and earn prizes at their own pace.
- Each member is automatically enrolled in the right program based on age or grade in the fall.

This page includes details on how to complete the program, important dates, and snapshots of your progress and badges earned.

- Badges to be earned are gray until they are completed.
- Badges with a trophy icon indicate that completing the badge earns a prize.

### → Track Your Reading & Activities

- Use the red button in the top left.
- Log for a specific reader or select All Readers to apply the time to the whole family or group.

Log Reading and Activities

### → What to Log

**Log minutes spent reading.** If you are logging after you have completed a book, please estimate your time spent reading. We have a community goal of 300,000 minutes read and your approximation helps us work toward our goal!

- **Kindergarten and Younger:** Every two (2) hours logged earns one grand prize entry. The reading program is complete at 8 (eight) hours read but entries can still be earned up to 14 hours. At 8 (eight) and 14 (fourteen) hours, readers earn passes to the Summer Reading Bookstore (July 22-27).
- **1<sup>st</sup> through 6<sup>th</sup> Grade:** Same as Kindergarten and Younger.
- **7<sup>th</sup> through 12<sup>th</sup> Grade:** Every three (3) hours logged earns one grand prize entry. The reading program is complete at 15 hours read. Receive a BOGO free coupon for Chipotle for completing the program.
- **Adults (18+):** Every five (5) hours logged earns one grand prize entry. The reading program is complete at 40 hours read.

Activities

Want to start the first Game of Thrones book on audiobook? That will take 34 hours to finish! If you start a book but find that you do not like it, you should still log the time you spent reading. [You do not have to finish a book to complete the summer reading program!](#)

**Log activities completed.** Each age group has their own set of activities. Each completed activity earns one grand prize entry.

### → Logging

**Day:** You may use the actual date read, or the day you are doing the logging. Make sure you are only logging between June 3 and July 20. Any logging outside of these dates will not count toward the program.

**Enter Time Spent Reading:** Start typing minutes or hours; the system will convert to minutes.

**If you like, add Title and Author:** These are optional.
